WAYS TO PAY

**Option 1: Register with Deposit** If you’re interested in paying for one or multiple camp sessions on a weekly basis, you will want to take advantage of the YMCA’s Register with Deposit system. With this method, you can reserve your child’s placement in Y camp with a $20 registration deposit or $25 registration deposit for specialty camps for each session, with the balance due by the Wednesday prior to the week your child is registered to participate in a camp. Each session deposit is deducted from the balance due each week. Please recognize that due to the popularity of camp sessions and the YMCA’s need for planning to care for your child, camp deposits are non–refundable and non–transferable to other sessions.

With this option, you have the choice to pay for the session balance due each Wednesday in one of two ways:

- You may pay the balance with cash, check or credit card at our Y location at 2501 Fields South Drive, Champaign.
- If payment is not received by the Wednesday due date, your child’s camp reservation will be forfeited automatically without notification.
- You may sign up for bank draft transfers (ACH) using your checking account or credit card. This option requires advance paperwork be completed by May 31 to ensure that all ACH data is processed in time for your first automated deduction. Please see the YMCA’s member service desk to obtain the ACH form for automatic draft for this payment method.

**Option 2: Payment in Full** If you’re interested in paying for one or multiple camp sessions before the camp starts, you will want to take advantage of the YMCA’s Payment in Full system. With this method, you can reserve your child’s placement in a camp by paying for the full amount at time of registration with cash, check or credit card. If a schedule change is required, camps paid for in full are refundable minus the $20/$25 deposit for each session. Please recognize that due to the popularity of camp sessions and the YMCA’s need for planning to care for your child, the $20/$25 deposit is non–refundable and non–transferable to other sessions.

**Option 3: Third–party Payment** The YMCA accepts third–party payments from organizations including Child Care Resource Services (CCRS) and DCFS. All third–party payment arrangements require completed paperwork and confirmation of payment terms before a camp reservation is processed. For those qualifying for third–party payments, it is to your child’s advantage to coordinate payments in advance. We strongly recommend a 30–day lead prior to registration to ensure camp availability. Please contact the Administrative Assistant at 239–4955 for additional information.
