4. You may choose to register your child for either 2 days, 3 days, or 5 days a week for each month. If your child attends more days than registered for in a week the YMCA reserves the right to charge your account the difference in fees for the additional days.
5. Children registered for 2 days a week option may only attend on Tuesdays and Thursdays. Children registered for the 3 days a week option may only attend on Mondays, Wednesdays, and Fridays.
6. **Payment adjustments are not made for non-attendance.** Partial or full refunds will not be given for days missed due to illness, injury, suspension, expulsion, or dropping out. Please contact the After School Director for all payment adjustment requests.
7. A change in payment method must be made by the 1st of every month and sent to the After School Director at the Stephens Family YMCA Childcare Office, 2501 Fields South Drive, Champaign, IL 61822. Changes can be made via phone call or email but must be presented to the After School Director of the Stephens Family YMCA.

10. The Y does offer a School's Out Day Program that is located at the Y, but this is a separate program from the Y After School Program. A separate registration form and additional payments are required in order to participate in the School's Out Day Program. The YMCA is also exploring a potential School's Out Day Program in Mahomet. More information will be sent out about this at a later date.
11. The YMCA reserves the right to make changes in its program and program fees without advance notice. Also, the YMCA reserves the right to close sites that do not meet the minimum requirements for attendance.

Afternoon Pick-up/Dismissal

Afternoon childcare hours are from school dismissal until 6 p.m. The after school program will run on early dismissal and half days. The program will not run on days where there is no school or a school cancelation.

- Parents, guardians or other persons authorized are personally responsible for picking up their children out each day. The Y after school program does not provide any transportation for children. YMCA child abuse prevention prohibits staff from transporting children in their vehicles.
- Y After School Program staff will only release children to persons who are authorized in writing on the childcare enrollment information packet. **If a person is not recognized by sight, he or she will be asked to present a valid photo ID for verification.** Anyone without prior authorization is prohibited from taking a child out of the Y After School Childcare Program. Additions to the authorized pick-up list must be made in person or in an email to the After School Director.
- When arriving to pick up your child you should park your car in the school parking lot and walk to the designated after school area (differs for each school). Some schools will not allow parents to enter the school, and so parents must call the after school site phone to alert staff they have arrived (After School site phone numbers will be sent to parents by email after they have registered).
- Please have photo ID ready for verification. The program may be outside or in a different room at any given time. Signage will be posted to let you know where the group is.
- If a child needs to be dismissed early from school, please email the after school director for your child's school. The school personnel are not responsible for notifying the YMCA staff.
- A **\$1.00 per minute late fee** will be assessed per child after 6:00 p.m. Late fees will be assessed according to after school site clocks. This fee is to be paid at the YMCA and not at the childcare site and may be taken without notice from the credit/debit card on file. Payment should be made before the child returns to the program.
- If inclement weather prevents a timely pick-up, no fee will be assessed if the child is picked up within a reasonable time frame.
- Staff will attempt to call the emergency numbers on file if your child is not picked up by 6:00pm. If no one can be reached within 30 minutes and no parental/guardian contact has occurred, staff are required to notify the local police department and place the child in their care.

Early Dismissal

The After School Program is only held on days when school is let out early, on pre-scheduled early dismissal days. There will not be Y childcare on days when school is let out early due to inclement weather or other emergency circumstances.

Program Participant Termination

The following circumstances may be reasonable cause for termination of participation in the Y After School Childcare Program:

1. Failure to pay fees for program.
2. Failure to observe rules relating to child's arrival / departure or an excessive amount of late pick-ups.
3. Any child who, after attempts have been made to meet that child's individual and developmental needs, demonstrates an inability to benefit from the type of care offered by the program or whose presence is detrimental to the group. (Please refer to the Discipline Policy.)
4. Failure to comply with the Y After School Program policies and procedures.
5. The YMCA reserves the right to suspend/terminate any child's participation in the program (please refer to the Discipline Policy).

COVID-19 Policies and Procedures

The after school program will follow the same COVID-19 policies and procedures of each specific host school. This will include policies on masks, social distancing, sharing of items, and any other COVID-19 related policy.

Any child who regularly breaks the COVID-19 policies and procedures at after school is subject to discipline and removal from the program.

If your child tests positive for COVID-19 please do not send them to the after school program. If your child tests positive for COVID-19 please notify your school to avoid any potential spread of the virus to others. Please reach out to your school for specific COVID-19 policies and procedures.

School's Out Days

School's Out Days, including holiday breaks and teacher institute days, will be accommodated through the Stephens Family YMCA's School's Out Day Program. This is completely separate from the after school program and parents must register their children separately and pay the School's Out Day Fee. This all-day alternative is offered at the YMCA for a daily fee. **School's Out days are based on Champaign Unit 4 School District Regular Calendar.** Due to limited space prior registration is required. Contact the Youth Director or visit our website for more information. The YMCA is also exploring a potential School's Out Day Program in Mahomet. More information will be sent out about this at a later date.

Medical Information

The state of Illinois requires that an emergency contact and medication form be filled out completely for each child who is enrolled in the program (see registration packet).

If a child becomes ill prior to arriving in the program that day, it is best for that child to stay home for the sake of the other children's health as well as for the child's own comfort. Many communicable diseases begin with flu-like symptoms; reasonable measures need to be taken in assessing whether a child attends the program. **Any child exhibiting COVID-19 like symptoms is required to stay home until cleared by the school or public health officials to return.**

The Y After School Director should be notified immediately of any illness. If the child becomes ill during childcare hours, parents/guardians will be notified for immediate pick up.

Medication Policy

Directions for prescription medication that needs to be administered at the after school site:

1. Medicine must be brought directly to the after school site coordinator by the parent/guardian in the **original** prescription container.
2. It must be accompanied by written instructions including the quantity, time when it needs administered, name and phone number of the doctor, the prescription number, and the name of the pharmacy along with any other pertinent instructions.
3. In addition to these things, written clearance must be given by filling out the "Medical and Medication Authorization" forms at registration.
4. All medication will be kept on the child's medication record at the after school site.

Injuries/Accidents

Y staff are certified by Red Cross in First Aid and CPR. If a child is injured at the after school site, the staff will be following their training and take necessary steps to obtain emergency medical care.

These steps may include, but are not limited to the following:

1. Attempts to contact parent/guardian.
2. Attempts to contact the emergency contact listed.

If parental / guardian contact is not made, the following will take place:

1. Administer CPR, Band-Aids, or ice packs, if needed.
2. Call an ambulance or fire rescue.
3. Have the child taken to the hospital in the company of a staff person, if possible.

Inclement Weather

On inclement weather days, (i.e., snow days), childcare program hours will be determined by the following:

- If school is canceled for any reason (snow days, COVID, etc.) the after school program will not be provided.
- If school closes during the regular school day, the after school program will not be provided.
- If weather becomes dangerous during the hours of the program, staff will call parents/guardians to arrange early pick up, if possible. Staff will stay with the children until they are picked up by the parent/guardian or authorized persons.
- After School Program sites will follow the established emergency protocol for each building.

Clothing

Parents/guardians should send their children clothed for recreational activities each day, including tennis shoes. Children who struggle with bathroom accidents will be required to bring an extra pair of clothes in case of an accident. Appropriate clothing is needed and will be determined by the weather. In the fall and spring, a jacket is needed for outdoor play. For winter months, a winter coat, hat, gloves/mittens, and boots should be worn for outdoor activity.

Snacks

A light snack will be provided at the Y After School Program each day. If a child has any food restrictions or allergies, please indicate on the registration packet. If a child chooses not to eat the snack provided for that day, no other snack will be offered. Children are not allowed to share snack with others.

Parental Communication

With regard to conflicts or behavioral concerns at home or at school, parents/guardians need to communicate anything that may affect the child's behavior at the after school site. It is necessary to keep the site coordinator informed of such issues in order to prepare the staff properly to respond to the child and to be sensitive to the child's needs. The childcare staff should be informed of any resolution strategies that have been arranged between the parents/guardians and the school personnel in order for the child to have consistency within the school and Y After School Programs.

Staff will communicate to parents if their child has had behavioral issues or incidents at the after school program. Parents need to take any incidents or concerns brought up by the staff seriously and discuss those with their children before returning the next day. The After School Director will contact parents in the case of extreme behavior or incidents.

Firearms are prohibited on all after school site premises
